Dato la distanza tra i centri individuiamo la
distanza tra le due circonferenze.

Dato la distanza tra le due circonference troviamo
la semidistanza tra le due circonference.

Il raggio r deve essere maggior o = rispetto
alla semidistanza

Appunti grafica 14/12/2021 (raccordo tra due cir.
con raggio r dato)

Baggage claim refers to the area where you take your luggage.

The gate is the area where there's a line of people waiting to board the plane.

When you get on to the plane for showing the boarding pass to the gate attendant

Immigration* is the place where police check the documents of everyone entering the country.

*Also named PASSPORT CONTROL

ON BOARD

Window seats are near the window.

Aisle seats are in center of the plane.

32A is an identification of the seat.

When the seat is next to the bathroom is called
Bathroom adjacent.

When we fly

When we are lucky we have a direct or non-stop flight to your destination

A layover means that you take more than one flight to your destination.

Connecting flights are something worth noting is that in some planes, not all seats are equal.

The economy class the most seat, if you are willing to pay more you'll fly in first class or business class and receive VIP treatment.

VIP passenger have the possibility to enter in VIP lounge in airport to work, eat and relax before the flight.
